SYNTHETIC GRASS SUPPLIER

PACIFIC SAFE PLAY

SKU: PACIFIC-SAFE-PLAY

Pacific Safe Play was designed with your children's safety in mind. This turf is both remarkably comfortable to the touch and stoically retains its shape after footfall. It's soft yet durable, making it the best of both worlds.

This extra stability and deluxe texture is accredited to its very diverse shape. In addition to the aforementioned benefits, the 5mm foam pad acts as a cushion, being bonded for durability, and perforated for drainage.
